

Laura Krizov

Manager, Michigan Main Street Program,
MEDC

Krizovl1@michigan.org

Laura Krizov is the Manager of the Michigan Main Street program and has worked for the State of Michigan for 23 years. Krizov served on the Michigan Economic Development Corporation's CATeam, where she assisted communities in the revitalization process, including handling Brownfield projects, packaging CBDG incentives and providing technical assistance. For the last 19 years, she has been a vital part of the Michigan Main Street Program, providing technical assistance to Main Street communities. The Michigan Main Street program continues to be a leading program recognized at the National Level. Current member on the Leadership Council for Main Street America and past member of the National Main Street Center board.
